

CaseMax CourtAPI Integration

At CaseMax, we search out the most budget-friendly ways to pass on savings to our users and run them through Beta testing to confirm both value and performance. Take a look at our most recent test of the CourtAPI Integration for PACER and Military searches.

PACER and Military searches can be done in different ways, for the same information at differing costs. We wanted to know how much a firm could save by utilizing the CourtAPI Integration over old traditional methods so we contacted our favorite beta site SouthLaw and started testing.

The Quick Facts:

SouthLaw PACER search average per month: 2,137

SouthLaw Military search average per month: 2,768

The Results:

We plugged in the numbers and the winner was clear. Aside from the CourtAPI Integration proving to operate seamlessly, it saved SouthLaw an average of \$488.45 per month or \$5,861.40 per year.
